Dear Alan:

Congratulations again on your award at today's KCIC Brick-by-Brick Awards Luncheon. We are delighted that you have decided to join KCIC as a member. By copy of this letter, we are sending an invoice for dues to Mark Schlicht.

KCIC is committed to carrying on the work of strengthening Kansas City's industrial and manufacturing industry, and to serve as advocates for the infrastructure projects that not only serve the industrial areas of our city, but the community as a whole.

Thank you for your support and we look forward to working with you.

Best regards,

Tim Lanter
President
